

## JOE COCKER ON TOUR

**It's Martin all the way**

Tim Bradsmith, Managing Director of Concert & Corporate Productions, was the Touring LD for the recent Joe Cocker tour of Australia. Tim was touring an all Martin system using Concert & Corporate Productions in the West and Chameleon in the East.

The Rig consisted of 18 x MAC600, 12 x MAC500, 12 x DWE, 20 x Par 64 NSP, 24 x Par 64 ACL, 9 x Source 4 Profiles, 1 x Wholehog 2 Console with Wing, 3 x 40' Trusses, a White Cyc and Black Drapes.

For the sell out Perth season Tim added his custom built 12x 6.5m Fibre optic Starcloth power by Martin Robocolour Pro 400's. This added further depth to the stage and a multitude of colour possibilities.

**Equipment**

- 18 x Martin MAC600
- 12 x Martin MAC500
- Martin Robocolor Pro 400s
